

LPM WORKSHOPS *"on the road"*

"We come to you!" The national LPM Board now offers "LPM style" workshops on church music in an intensive, one-day workshop setting at your church. Workshops cover a lot of material in a short time, and are led by board members who have taught LPM courses and have dealt with smaller church situations. The length of the workshops varies depending upon the situation and local needs.

Contact us and we can offer help putting together your workshop, talk about available topics and instructors, suggest a fee structure that covers expenses, and offer ways to publicize your event. Anyone interested in music and liturgy in the church — musicians, pastors, worship leaders, choir members — should come no matter what church they attend.
